## SUB-PRIMARY REGISTRATION IN BETHEL SCHOOLS, MAY 13

Registration for sub-primary class in Bethel for the next school year, 1966-1967 will be held Friday, May 13th, at the Elhel Bisbee School.

This will be in the form of an actual school day for these children. All bus pupils will come to school for the morning session either on the bus or with their parents and will be picked up by their parents at 10:30 a. m. and taken home.

All town pupils, those within walking distance, will come to school at 1:00 p. m. and leave at 2:30 p. m. for the afternoon session.

Mrs. Cross has planned a program for both the morning and the afternoon groups. This will enable the pre-school children to have better understanding of what school is like and should help them get started properly in September. Parents are invited to come with their children.

Mrs. Phyllis Cross will be in charge of registration.

Pre-school children who are to attend the East Bethel school and the West Bethel school will register with the teachers of these schools on the same day, May 13.

Children eligible for sub-primary training should register at this time. For children eligible for sub-primary classes, they must be five years of age on or before October 15th, 1966. Parents must present birth certificate and record of immunization and inoculation as well as a disease history including dates. It is important that every parent register his child on these dates in order that the school department may formulate plans for the next school year.

## T. A. TO MEET TUESDAY EVENING AT CRESCENT PARK SCHOOL

The final meeting of the Bethel Parent Teachers Association for the school year will be held at the Crescent Park School on Tuesday, May 10, at 7:30 p. m. Officers for the following year will be elected at this time.

## COMMENTS FROM THE TOWN MANAGER'S OFFICE

A large amount of gravel fill was hauled to the dump on Thursday and Friday of last week. The work is complete except for a fence and some signs. The dump should be usable all year now without the worry of getting stuck or ruining a tire. A minimum of work should keep the dump in good condition. I hope that everyone will try to keep the unloading area as good as possible.

The highway crew has been taking down snow fence since the work at the dump was finished. There are numerous jobs to be done prior to the start of the summer work. The asphalt for this summer will be purchased from the D. & S. Corp. The asphalt for summer tarring has been purchased from this firm for the last two years. Most years the product has been bid but a couple of years the price has been negotiated. The D. & S. Corp. has offered the same price as last year even though the price has gone up about one half a cent per gallon. The offer was accepted because their products and service have been very good in past years.

Two new overhead doors have been purchased for the town garage. The old tracked doors were so heavy that it took two men to open them in the winter. The heat loss was also quite high with the old doors. A third reason for the new doors is for light. The new ones have two rows of windows that will allow more light in the working area.

The street lines will be painted again by the same firm that did it last summer. The work will be done the last of this week or the first of next week. They have the equipment to do a better job than the town crew and they can do it for about the same cost. They also have a work pattern whereby they do not disrupt the flow of traffic or the use of parking areas.

Mrs. Philip W. Daye, who has been a patient at the Rumford Community Hospital for the past two weeks, returned home Monday.

## MEETING OF GOULD TRUSTEES DETERMINES FUTURE POLICY

At a special meeting of the Board of Trustees of Gould Academy, held at the Ritz Carlton Hotel in Boston, Mass., at 11 a. m. on April 25, the following action was taken:

WHEREAS by an act of the Legislature of the State of Maine passed at its special session in January 1965 and approved by the Governor on January 25, 1965, the corporate purposes of Gould Academy were broadened in the manner approved on June 14, 1965, by the Board of Trustees of Gould; and

WHEREAS negotiations for the acquisition of the Gould campus by the University of Maine were terminated pursuant to the request contained in a letter dated March 24, 1966, from Dr. Lawrence M. Cutler, President of the Board of Trustees of the University; and

WHEREAS the Planning Committee of the trustees of Gould has studied alternatives available to Gould and has submitted its recommendations to the Board of Trustees of the Academy;

IT IS RESOLVED THAT

Gould Academy shall continue to accept boarding students, and to serve high school students from the Town of Bethel during the academic year 1966-67, and if so requested by School Administrative District #44 during the academic year 1967-68; and thereafter

Gould Academy shall continue, primarily for boarding students, as an independent secondary school committed to academic excellence.

The MEC will hold their last meeting of the season on Monday, May 9. Members will meet at the Ritz Hall at 6 o'clock and go to Modern's Restaurant in Rumford for supper.

The Portland District meeting of the W. S. C. S. is being held at Portland today (Thursday). Those attending from Bethel are Mrs. Anne Gordon, Mrs. Hilda Stevens, Mrs. Sarah Stevens, Mrs. Marie Wilson, Mrs. Dorothy Abbott.

## CHAMBER SUPPORTS MOVE TO RENAMER LOCAL AIRPORT

A resolution to seek to rename the Bethel airport as Col. Sidney A. Dyke Field was approved by the Greater Bethel Chamber of Commerce Monday evening. Col. Dyke, manager of the local field for nearly three years, died in the crash of a light plane on April 22.

The resolution was submitted to the selectmen, who concurred in the action at their Tuesday meeting. Included in the resolution was that the Chamber assumed responsibility for appropriate signs and dedication ceremonies.

Gov. John H. Reed was introduced by Chamber president, Richard Bryant. The Governor extended the state's encouragement and assistance to the area group to attempt to attract and hold some of the "Expo '67" travelers as a part of their itinerary to and from the Montreal exposition.

In response to a request to comment on the recent rejection by the University of Maine of the Gould Academy campus, Gov. Reed pointed out that the trustees are an autonomous body in whose affairs the Governor has no position.

Following the Governor's remarks, the Chamber adjourned from the dinner session at The New Yorker Restaurant to Bingham Auditorium, where arrangements had been made for the public to meet and hear the Governor as he presented a more political address.

Sgt. Larry G. Smith arrived in Bethel at 2 p. m. Tuesday to spend a 4-day leave with his parents. He and Mrs. Jason Smith, Vernon Street, left for Vietnam where he had been stationed with an Army Engineer Battalion since June 1963 from Saigon by commercial aircraft at 9 p. m. Monday. He admits the crossing of the international date line was not made the elapsed time more than the calendar would indicate. After his leave Larry will report to Post Office 21. He is scheduled to leave June 1964 after graduating from Woodstock High School.

Mrs. and Mrs. Lee (Pearl) and family of Lyons Falls, N. Y., have been spending a few days with his parents. Mr. and Mrs. Anna Carroll.

## Twelve Day "Hard Sell" To Precede School Vote

An intensive twelve-day program of public information prior to the May 19 date of the \$1,050,000 school bond issue referendum, gets underway in School Administrative District 44, Saturday.

May 7 has been set as the mailing date for a ten page brochure presenting the problem facing the five town district—lack of a high school adequate to offer secondary school curriculum to all of the students of the district—and the solution offered by the District's Directors.

The pensive face of a child gazing out a window poses the cover question, "What will my future be?" In subsequent pages, the Brochure Committee studies present facilities, points out not only the deficiencies of them, but shows, pictorially and by means of graphs, the desirable curriculum, and the facilities needed for it.

Four pages, show definite details of the building proposed to house 750 junior and senior high school students and designed to carry out the curriculum advised by the educational consulting firm, Engelhardt, Engelhardt, and Leggett. A full page shows the architect's rendering of the physical appearance of the building on its lot, another shows the overall plot plan, and a double page layout shows the floor plans of the two-level proposed structure.

The brochure contains a capsule form picture of the finances involved for the taxpayer. Essentially, the person who owns a house with a selling value of \$5000, can expect to pay \$20 per year in taxation for support of the indebtedness on the school itself. This sum is unrelated to any other taxes for tax increases and Brochure and Building chairman Lester Rickford, pointed out specifically, when interviewed that this is the question the voter should keep in mind. "Is it worth this small amount of tax more to me to have this type of school in our area?"

According to Mr. Rickford in the preparation of the brochure have been Directors, Mrs. Phyllis Dack, Nelson Davis James Foster, members of the Educational Advisory Committee of 160 Mrs. Wilfred Goodridge, Bethel, Charles Cutting, Andover, and Wendell Twitchell, Woodstock.

In the days following the mailing of the brochure, the Public Information Committee of the Educational Advisory Committee of 160 has made arrangements for a public meeting in each of the five towns. At these meetings voters are urged to be present, and preferably to bring their brochure for reference to clarify.

any and all questions they may wish answered regarding the procedure of voting, the school itself, or any other which has bearing on the subject.

The schedule of meetings is as follows, and includes the name of the chairman, as well as the local chairman of arrangements: Woodstock Town Hall, Monday, May 9, at 7:30 p. m., School District chairman, Dexter M. Stowell, presiding, Mrs. Peter Rosenberg, Com. of 100; Raymond Foster School, Newry, Tuesday, May 10, 7:30 p. m., Stowell presiding, Mrs. Archie Young, Jr.; Locke Mills Town Hall, Wednesday, May 11, 7:30 p. m., Stowell presiding, Mrs. Ann Swan; Andover Town Hall, Thursday, May 12, 7:30 p. m., Supt. Horace P. Maxey, presiding, Harold Falkenham; Odeon Hall, Bethel, Tuesday, May 17, 7:30 p. m., Supt. Maxey presiding, Dr. James Hudson.

As the date of the referendum approaches, residents of the District are reminded by the Directors of the District, that the need for the secondary school is as definite now, as when the District started formation a year ago. Dexter Stowell, chairman of the Directors, and a trustee of Gould Academy announced to the board, Monday, May 2, that the trustees have voted to operate the Academy, "as a private co-educational secondary school for the foreseeable future."

Mr. Stowell further said that District students would continue there through June, 1967, and, if the new school is not ready for the following year, S.A.D. 44 students would be able to have an extension of use of the Academy until the school could open.

The Directors Committee of 160 chairman, Harry Swan Jr., and Public Information chairman, Mrs. S. H. Timberlake, urge residents to study these brochures carefully, and to attend one of the public meetings. Much value will be lost if the referendum is not fully understood, and approved at this May 19 date.

## SCHOOL NEWS

Grade 4—Miss Varner

We, the students in Miss Varner's 4th grade, have had an interesting experience. We became interested in clay modeling from the TV Art Program. When Diana Lunt joined our class in March, she told us that her grandmother, Mrs. Dorothy Lunt of Saugus, Mass., would furnish us with some Ceramic clay and glaze to use in our class to make pottery. This she did. We moulded the clay into various shapes and allowed them to harden. Two days later we applied three coats of glaze. The next day we carefully packed the pieces in a box and Diana took them to Mrs. Lunt who "fired" them in her kiln. When they returned to us, how surprised and amazed we were to see the results. What had been a dull coating had turned to a colorful glossy finish.

We all thank Diana, Mrs. Lunt, and Mr. William Lunt, who furnished the transportation, for their kindness in making this activity possible.

Mrs. Timberlake came to our room to take pictures of some of the students and their pottery. Each one has taken his piece of pottery home to use it to decorate a table, mantle, or TV.

introduced by Esther Davis. The next meeting is to be held at the town hall. Everyone was encouraged to bring a plate. This will be the installation of officers and the program will be slides.

CARD OF THANKS  
We wish to thank all our relatives and friends for their kind expressions of sympathy during our bereavement.

## LITTLEHALES CELEBRATE 40th ANNIVERSARY

Mr. and Mrs. L. Werner Littlehale, Wilson's Mills, were honored on their fortieth wedding anniversary at their home, April 29, planned by their son and wife, Mr. and Mrs. Lawrence W. Littlehale, Jr., and son-in-law and daughter, Mr. and Mrs. Richard Holland, Hootziet, N. H.

The home was decorated with flowers, gifts from friends. Mr. and Mrs. Littlehale were married in Frye May 2, 1926, by Rev. Harold Curtis, pastor of the Rumford Baptist Church. Mrs. Littlehale was the former Elvira Ordway. She was born in Woodstock the daughter of Walter B. and Emma Weaver Ordway. When an infant the family moved to Rumford where she resided until her marriage. In 1928 she returned to Woodstock, moving to Wilson's Mills in 1949. She is a Past Master of Jefferson Chapter No. 83, O. E. S., Bryant Pond; a member of the Wilson's Mills Congregational Church; is active in community work and is Town Treasurer and Tax Collector of Lincoln Plantation.

Mr. Littlehale was born in Magalloway Plantation, the son of Peter J. and Sadie Littlehale. When a small child the family moved to Wilson's Mills where he has lived except for the few years in Bryant Pond. During the past 17 years he has been employed by the Brown Company as a maintenance man and is a selectman of Lincoln Plantation. They were employed at the former Farmhouse Club for 15 years. They received many gifts, cards and messages from friends. Nearly one hundred signed the guest book. They have two children, Larry, of Wilson's Mills, is married and makes his home there and Mrs. Richard Holland (Donna), Hootziet, N. H., and two grandchildren, Timothy and Terry Holland.

Mrs. Silvestra O. Jenkins, Bryant Pond, had charge of the money and gifts. Mrs. Iva Johnston, Hootziet, was the guest book. Refreshments were served by Mrs. Evelyn O. Taylor who cut and served the delicious cake. Mrs. Lena Gurnea, Goshen, Maine, served the cream. Mrs. Gwen Littlehale, poured coffee. Mrs. Helen Moore, Falmouth, served punch and Mrs. Muriel Littlehale and daughters, Angeline and Emily, and Florence and Katherine Moore, assisted in serving.

Due to illness in the family, Mrs. Donna Holland and family were unable to attend and Mr. and Mrs. Larry Littlehale served as hosts.
